

**BELLEAIR MONTESSORI ACADEMY  
2020 SUMMER LEARNING PROGRAM  
905 Ponce de Leon Blvd. Belleair, FL 33756**

**We are pleased to announce our Summer Learning Program. Each week the children will continue their love of learning during the summer with math, literacy, science, art, music, cooking and outdoor play. We look forward to your child joining us!**

**Call Today - 727-584-2867**

**Call Today - 727-584-2867**

**Lions and Tigers and Bears, Oh My!**

We will be learning about different animals and their habitats, finding out what part of the world they live in, and what they eat.

**7 Continents**

Discover and research where the 7 continents are located in the world. Learning a song about them so the children can easily remember the names. Looking at a world globe and locating the continents.

**Snakes and Lizards**

Is a snake a friend or foe? How about a lizard? We will be exploring and learning about different kinds of snakes and how to tell a poisonous one from a non-poisonous one. Lizards seem to be everywhere in Florida! We will be learning about all the different kinds and where to find them.

**Happy Birthday America!**

We will be learning about our ancestors and how America was born. Let's dress in red, white and blue during the week.

**Spiders...Eek!**

Some crawl, some fly, some wiggle. Spiders, caterpillars, worms and insects are fun to watch. We will be learning about where to find them and why some are good for our earth.

**I Can Fly**

Do all birds fly? We will learn which ones fly and which ones don't. We will also learn about all the different kinds of birds that live here and their names.

**Jaws and the Turtle**

Learn about the different varieties of sharks that live in the oceans. Talk about giant sea turtles, the largest whales in the ocean, squid with super long tentacles, creatures with giant, sharp teeth and swimmers that glow in the dark. Are there turtles on our beaches? Why?

**Ice Age and the North Pole**

Who lives on the north pole? What animals live there? Icy animal and water tubs add to our "chilly" week.

**What's your Favorite Dinosaur?**

Dinosaurs disappeared millions of years ago and will never return. We will talk about reasons for them disappearing, and how this is happening to animals living on earth today. Children will come up with a plan to help animals survive by deciding what they can do to help endangered species to repopulate and thrive.

**Last Week of Summer Fun**

Pizza party! Everyone will enjoy eating pizza and watermelon. We will be playing board games and watching a movie in the afternoon, and make popcorn too! We might even have a dance party!

**One week sessions beginning June 1st thru August 21st**

**Full Time 5 Days: \$160 or Full Time 3 Days: \$130**

**Part-time 5 days: 8:30-2:30pm: \$140 or**

**Part-time 3 days: 8:30-2:30pm: \$125**

**\$25 registration fee for 4 or more weeks**
